NEW QUESTS

Thank you for taking the time to read our Summer 2010 Newsletter.

I want to update you on some of our changes that have occurred within the past year:

The launch of the **TRIAD CHAPTER'S REDESIGNED WEBSITE** is the #1 item we have we have been working on for many months. You are receiving this Newsletter from a contact list that we have developed. Let us know what you think and send us contact information of colleagues and friends that you believe might be interested in hearing

about the Triad Chapter and being on our list.

Please visit your Chapter website at your earliest convenience and book mark for future use:
